Congratulation After having carefully evaluated your article titled “**Reviews and impact of virtual single window customs of Khuzestan province in facilitating trade**” accepted and taken the referees advice into consideration, the editors came to the conclusion that your paper issue able for publication in our Journal. As part of our evaluation process, we normally ask the opinion of two referees who are experts in the relevant field of research. The paper is also read by the editor. The choice of referees and the fact that we require a consensus view between the referees and an editor ensures, however, that the process is as fair as possible. Your article has been accepted for publication based on the reports of an editor concurs in their view, their decision is final. Your article will be published in July, 2015.

Thank you very much for submitting your article to the journal of GMP Review.

**With Best Regards**

**Dr. Patrice C. Mahon**

Editor-In Chief
